Autumn 2020

Welcome to the Autumn edition of our Newsletter

We have now moved! We are in and settled in our new office. So nice to have some space.

We have currently took the decision to close our office to visitors until further notice.

We would like to thank all our Angels for their continued support and commitment during these uncertain times.

We cannot express how proud we are of each and every one of them,
Sam, Deb & Em

Covid 19

Please help us to keep us all safe by:

- Providing adequate handwashing facilities - anti-bacterial liquid hand soap and hand towels to enable staff to wash their hands, before, during and after carrying out tasks
- Providing a lidded bin with bags for safe disposal of contaminated waste
- Providing incontinence disposal bags to ensure safe disposal of contaminated products
- Ensuring property is kept clean and tidy
- Limiting visitors to your property where possible
- Requesting visitors wear a mask
- Informing office/on-call immediately if symptoms occur
- Use bleach to. Disinfectant to clean surfaces
- Notifying us of any person, in or visiting your property has returned recently from abroad
-

We would like to reassure you we have high levels of PPE stock and will continue to keep it replenished

WORLD SEPSIS DAY INFOGRAPHICS

WHAT IS SEPSIS?

SEPSIS ARISES WHEN THE BODY'S RESPONSE TO AN INFECTION INJURES ITS OWN TISSUES AND ORGANS. IT MAY LEAD TO SHOCK, MULTI-ORGAN FAILURE, AND DEATH – ESPECIALLY IF NOT RECOGNIZED EARLY AND TREATED PROMPTLY.

AWARENESS SAVES LIVES.
